March 15, 2011

My fellow shareholders,

On behalf of the Board of Directors of AmerInst Insurance Group, Ltd. (“AmerInst” or the “Company”), I am pleased to announce the declaration of the Company’s 52nd consecutive dividend to be paid March 15, 2011 to shareholders of record as of February 28, 2011. Enclosed is your semi-annual dividend check for 47 cents per share.

Our accountants’ professional liability insurance program for small to mid-sized firms continues to gain momentum. Shareholders are helping increase our visibility by reaching out through referrals to clients and friends. We are promoting our presence and building a brand image by advertising on CPA web sites and social media channels that include LinkedIn, Facebook and Twitter. Visit: www.protexureaccountants.com for a no-obligation quote, to send a blog and or to view our new quarterly newsletter. A member’s only page was just released, with direct access to engagement letters, industry related articles, risk management specialists, as well as to policy account information.

We are also receiving a strong response from our lawyer’s professional liability program, which was launched earlier this year. It is tailored specifically for solo practitioners and small firms who are looking for features and benefits that reflect their unique needs. Our expanding professional liability insurance offerings and services will enable lawyers to make better business decisions and add value to their practice. Click on: www.protexurelawyers.com and see why our simplified web-based program is a smart choice for small law firms.

We continue to reiterate a commitment to serving the needs of our shareholders. Our professional liability programs are designed to provide insurance protection that is easy and affordable. You can apply online or by phone, whether you are at the office, on the road or in the airport. What better way to manage your business.

I also want to announce that, in order to better manage company expenditures from year to year, the Board has revised its repurchasing policy for shares of common stock. Repurchases will be limited to \$500,000 per calendar year for 2012 and thereafter and will only be from shareholders upon their death, disability or retirement from the practice of public accounting. After approving all your repurchases before the Board during our February meeting, the Board also decided to approve a \$500,000 limit on share repurchases for the remainder of 2011. The Board believes this move is in the best interest of AmerInst and all of its shareholders.
