In order to assure the presence of a quorum, we urge you to promptly complete, sign, date and return the enclosed proxy card, whether or not you plan to attend the Annual General Meeting in person.

Each of the matters intended to be presented at the Annual General Meeting and described in this proxy statement requires the affirmative vote of the majority of votes cast thereon. Based solely upon a review of these reports received by us during 2016 and any written representations from reporting persons, we believe that during 2016 each required Section 16(a) report was filed on time.

Certain Relationships and Related Persons Transactions

We recognize that transactions between us and any of our directors or executive officers can present potential or actual conflicts of interest and create the appearance that our decisions are based on considerations other than our and our shareholders' best interests. Therefore, as a general matter, it is our preference to avoid these types of transactions. Nevertheless, we recognize that there are situations where these types of transactions may be in, or may not be inconsistent with, our best interests. Therefore, our ethics policy prohibits us from entering into these types of transactions, except those approved or ratified by the Board of Directors. The Board of Directors has adopted a Code of Ethics applicable to our President and our financial and accounting officers, which may be viewed at our website, <http://www.amerinst.bm/investor-information/>. Our Code of Ethics is designed to comply with Securities and Exchange Commission requirements. We will disclose any amendments to, or waivers from, the Code of Ethics on our website within four business days of such determination. The Company does not have any formal written policy separately addressing transactions reported under Item 404(a) of the SEC's Regulation S-K. The only transaction during 2016 reportable under Item 404(a) was the payment for management services to Citadel Management Bermuda Limited ("Citadel Management"). This payment was made pursuant to the Company's management agreement with Citadel Management, which was approved at the time it was originally entered into and at the time of each subsequent amendment by all of the Company's directors not affiliated with Citadel Management. Any amendments, new management agreements or other payments to Citadel Management will be subject to the same approval process.

Citadel Management provides management services to us pursuant to a management agreement. We paid Citadel Management \$327,500 pursuant to this agreement during 2016. Mr. McMahon, Treasurer and Chief Financial Officer of the Company, is the President and a shareholder of Citadel Management. The approximate dollar value of Mr. McMahon's interest in the foregoing transaction, without regard to profits or losses, was \$53,492.

ITEM 1—ELECTION OF DIRECTORS

Our Board currently has seven members. Our bye-laws provide that the Board shall have no less than five and no more than nine members. Our bye-laws divide the directors into three classes. Diamond, Gillman and Klunk would each serve a three-year term expiring at the 2020 Annual General Meeting, or until their successors shall have been duly elected and qualified. Unless you otherwise instruct us, your properly executed proxy will be voted for the election of Messrs. Diamond, Gillman and Klunk. If any nominee would be unable to serve, the enclosed proxy confers authority to vote in favor of such other person to serve in place of such nominee as the Board at the time recommends.

Directors

The following is a list of our directors:

<u>Name</u>	<u>Age</u>	<u>Position(s)</u>
Irvin F. Diamond	75	Chairman of the Board
Jeffrey I. Gillman	75	Director
Stuart H. Grayston	76	Director and President
Jerome A. Harris	74	Vice-Chairman of the Board
David R. Klunk	65	Director
Thomas B. Lillie	64	Director
David N. Thompson	66	Director and Assistant Secretary

Board Leadership Structure

Our Board is led by a Chairman. At present, the positions of President (our principal executive officer) and Chairman are held by different persons. The Board does not have a formal policy as to whether the roles of Chairman and President should be separate. At this time, the Board has determined that separating these roles and having an independent director serve as Chairman of the Board is in the best interests of the Company and its shareholders. The President supervises and administers all of the general business and affairs of the Company and the Chairman sets the agenda for and presides over meetings of the Board. The Board believes that this structure helps to separate the role of the Chairman in managing the Board, which serves in an oversight capacity, from the oversight responsibilities of the President with regard to managing the day-to-day operations of the Company by the Company’s third-party management company, Citadel Management Bermuda Limited.

Risk Management

The Board believes that risk management is an important component of our corporate strategy. Although the full Board has responsibility for the general oversight of risks, it primarily conducts its risk oversight function through committees, including the Audit Committee and the Governance and Nominating Committee, as well as other committees. The Board is regularly informed through committee reports about our risks and discusses and reviews with management major policies with respect to risk assessment and risk management. Finally, the Board believes the separate roles of Chairman and President (our principal executive officer) assists us in our ability to implement major policies addressing our risks.

Independent Directors

Our Board has determined that Messrs. Diamond, Gillman, Harris, Klunk, Lillie, and Thompson are independent members of our Board under the Nasdaq Marketplace Rules, which we have selected for purposes of determining independence. There were no transactions, relationships or arrangements considered by the Board of Directors in determining the independence of the foregoing directors which were not disclosed pursuant to Item 404(a) of Regulation S-K.

Meetings and Committees of the Board

There were seven standing committees of the Board during 2016, constituted as follows:

<u>Committee</u>	<u>Members</u>
Audit Committee	Messrs. Gillman (chair), Lillie and Klunk
Compensation Committee	Messrs. Diamond (chair), Harris, Thompson and Klunk
Finance Committee	Messrs. Klunk (chair), Grayston and Gillman
Investment Committee	Messrs. Lillie (chair), Thompson and Grayston
Governance and Nominating Committee	Messrs. Harris (chair), Thompson and Lillie
Strategic Planning Committee	Messrs. Grayston (chair), Diamond, Harris and Thompson
Underwriting, Actuarial and Reinsurance Committee	Messrs. Thompson (chair), Harris and Lillie

The seven standing committees, have and may exercise the full power of the Board on matters within the scope of the respective committee's functions, including the annual audit of our financial statements; review and approval of our fiscal year budget; our investment activity and consideration of various opportunities and options available to us; consideration of nominees to the Board; coordination of press releases and other communications with the public; ownership, transfer or redemption of our common shares; and the review and negotiation of reinsurance contracts.

Because none of our executive officers, other than Mr. Nieman in his capacity as an executive officer of APSL, now receive, nor have historically received, compensation from us for their position as an officer of the Company, we have not historically had a standing compensation committee. However, our Board of Directors formed a Compensation Committee in June 2016 and Messrs. Diamond, Harris, Klunk and Thompson currently serve as members of our Compensation Committee. Our Compensation Committee determines the compensation paid to Mr. Nieman and to our directors, including compensation for service as a member or chair of a Board committee, which is set by the Compensation Committee based on factors it deems relevant in making such determinations. The Compensation Committee does not have a written charter. Our President, Mr. Grayston, is not compensated for his service as President but does receive compensation for his service as a director of the Company. No executive officer is involved in the determination of executive compensation nor do we engage compensation consultants. Our Board has determined that Messrs. Diamond, Harris, Klunk, and Thompson satisfy the Nasdaq independence standards for directors serving on the compensation committees.

The Board held a total of three meetings during 2016. All of our directors attended at least 75% of all Board meetings and committee meetings on which each director serves. During 2016, the Audit Committee met seven times; the Compensation Committee two times; the Finance Committee met four times; the Investment Committee met seven times; the Governance and Nominating Committee met four times; the Strategic Planning Committee met three times; the Underwriting, Actuarial, and Reinsurance Committee met seven times.

The Board has adopted a written charter for the Audit Committee, which is available at <http://www.amerinst.bm/investor-information/>. The Audit Committee has the authority to consider the qualifications of our independent auditors and make recommendations to the Board as to their suitability for recommendation to the shareholders for appointment; approve any material, non-audit services to be rendered by such independent auditors; and review and resolve any differences of opinion between such independent auditors and management concerning our financial statements. The Audit Committee's functions include selecting our independent auditors; reviewing the arrangements for, and scope of, the independent auditors' examination; meeting with the independent auditors and certain of our officers to review the adequacy and appropriateness of our system of internal controls and reporting, our critical accounting policies, and our public financial disclosures; ensuring compliance with our code of ethics; and performing any other duties or functions deemed appropriate by the Board. Messrs. Gillman, Lillie, and Klunk are currently the members of the Audit Committee. Our Board has determined that all of the members of the Audit Committee satisfy the independence requirements for Audit Committee members under the Nasdaq Marketplace Rules and that each member of the Audit Committee qualifies as an "audit committee financial expert" under the rules and regulations of the SEC.

We do not have a formal policy regarding attendance by members of our Board at our annual general meetings, although we strongly encourage our directors to attend such meetings. All of our directors attended the 2016 Annual General Meeting.

Board Member Nominations

The Governance and Nominating Committee operates under a written charter, which is available at <http://www.amerinst.bm/investor-information/>.

The Governance and Nominating Committee reviews and makes recommendations to the full Board regarding the composition and size of the Board so that the Board consists of members with the proper expertise, skills, attributes, and personal and professional backgrounds needed by the Board, consistent with the Nasdaq Marketplace Rules. The Governance and Nominating Committee believes that all directors, including nominees, should possess the highest personal and professional ethics, integrity, and values, and be committed to representing the long-term interests of our shareholders. The Governance and Nominating Committee endeavors to have a Board of which all the members have experience in the accounting profession and a background in the business of professional liability insurance or similar areas. The Governance and Nominating committee will consider, when appropriate, other criteria useful to the Company's current and prospective businesses in the nomination process. The Governance and Nominating Committee does not have a formal policy on diversity.

If you are a shareholder entitled to vote at our Annual General Meetings, you may nominate one or more persons for election as a director at the Annual General Meeting. The Governance and Nominating Committee will consider recommendations for nominees for directorships submitted by shareholders and will apply the same evaluation to such recommendations submitted by a shareholder as recommendations submitted by any other person or entity. Shareholders who wish the Governance and Nominating Committee to consider their recommendations for nominees for director should submit their recommendations in writing to the Governance and Nominating Committee in care of the Corporate Secretary of the Company at the Company's principal executive offices, in the manner described in the section below entitled "Director Nominations." Our Board has determined that all of the members of the Governance and Nominating committee are independent as determined under the Nasdaq Marketplace Rules.

Shareholder Communications with the Board of Directors

Any shareholder or other interested party who has a concern or inquiry regarding the conduct of the Company may communicate directly with either the Company's independent directors or the full Board. Shareholder Relations will receive all such communications on behalf of the non-employee directors and the full Board. Communications may be confidential or anonymous, and may be submitted in writing to Shareholder Relations, AmerInst Insurance Group, Ltd., c/o Citadel Management Bermuda Limited, 25 Church Street, Continental Building, P.O. Box HM 1601, Hamilton, HM GX, Bermuda. All written communications will be received and processed by the Secretary of the Company and all substantive communications will be referred to Shareholder Relations. All such communications will be reviewed and, if necessary, investigated and/or addressed by Shareholder Relations and the status of such communications will be reported to the full Board on a quarterly basis.

Report of the Audit Committee

The report of the Audit Committee is as follows:

TO OUR FELLOW SHAREHOLDERS:

Management has primary responsibility for the integrity of our financial information. Deloitte Ltd. has audited our financial statements in accordance with generally accepted auditing standards and expressed an opinion on our financial statements based on those audits. Your Audit Committee is responsible for overseeing the conduct of these activities by management and Deloitte Ltd.

The Committee has reviewed and discussed the audited financial statements of the Company for the year ended December 31, 2016, with the Company's management. In addition, the Committee has discussed with Deloitte Ltd., the Company's independent registered public accounting firm, the matters required to be discussed by the Public Company Accounting Oversight Board.

Based upon these reviews and discussions, the Audit Committee has recommended to the Board of Directors that our audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2016, for filing with the U.S. Securities and Exchange Commission.

By the Audit Committee:

Dated March 17, 2017

Jeffrey I. Gillman, Chairman
Thomas B. Lillie
David R. Klunk

This report shall not be deemed to be incorporated by reference by any general statement incorporating by reference the Proxy Statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended (collectively, the "Acts"), and shall not otherwise be deemed filed under the Acts.

Director Compensation

Our full Board sets the compensation for the directors of the Company. The Board generally considers whether any change from the prior year's compensation is appropriate to account for inflation or other factors the Board may deem appropriate. Currently, the directors are paid an annual retainer of \$25,000. Of this amount, \$10,000 is paid in the common shares of the Company.

In addition to the annual retainer, the directors are also paid \$800 per half-day for each Board meeting and \$200 per hour for each committee meeting attended during the calendar year. Directors are entitled to receive compensation and reimbursement for expenses incurred in attending board or committee meetings or when

otherwise acting on our behalf. The Chairman of the Board, as well as the chairman of the Audit Committee and the chairman of the Governance and Nominating Committee, each receives an additional annual retainer of \$10,000. The chairman of each other committee receives an additional annual retainer of \$5,000.

Executive Employment Agreements

The following is a summary of the terms of the employment agreements or arrangements between the Company and our named executive officers.

Stuart H. Grayston

Mr. Grayston serves as our President but is not compensated for his services in such capacity. Mr. Grayston does receive compensation from the Company for service on the Board as one of our directors in the manner described above under the section captioned “Item 1 – Election of Directors – Director Compensation”.

F. Kyle Nieman III

On November 24, 2009, APSL entered into an employment agreement (the “Employment Agreement”) with F. Kyle Nieman III with an initial term ending December 31, 2012 (with automatic one-year renewals thereafter) pursuant to which Mr. Nieman serves as President and Chief Executive Officer of APSL. Mr. Nieman and APSL agreed to amend the Employment Agreement on March 1, 2013 and December 31, 2014. We do not believe that either amendment to the Employment Agreement was material. The material terms of the Employment Agreement, as amended, include the following:

- The Board will determine, on an annual basis prior to October 15th of each year, Mr. Nieman’s annual salary for the following year. For the 2017 fiscal year, Mr. Nieman will be entitled to a base salary of \$287,500. He will be eligible to receive annual bonuses based on meeting or exceeding certain revenue and operating income targets for APSL;
- Mr. Nieman will be entitled to full participation in all benefits plans and programs for which APSL’s senior officers are or shall become eligible;
- Contingent upon Mr. Nieman qualifying for a bonus, Mr. Nieman will be eligible to receive options to purchase shares of Common Stock over a five-year period at a price equal to the fair market value of the Common Stock as of the date each option is granted;
- On January 1, 2010, APSL created an account on behalf of Mr. Nieman comprised of approximately 37,509 phantom shares of Common Stock (calculated as \$1,500,000 divided by \$39.99, the then-current value of a share of Common Stock at December 31, 2009). The phantom shares are eligible for phantom dividends at the same rate paid on regular shares of Common Stock. The phantom dividends may be used only to purchase additional phantom shares. The purchase price of the phantom shares will be the then-current value of the Common Stock. As of December 31, 2016, Mr. Nieman’s account consisted of 42,768 phantom shares. Mr. Nieman’s interest in the phantom shares is fully vested. The proceeds of the phantom shares, less the initial value of \$1,500,000, are to be paid in cash to Mr. Nieman at age 65 if retired, or within 60 days in the event of his death or permanent disability. If Mr. Nieman is terminated other than for cause, the value of the phantom shares, less the initial value of \$1,500,000, is to be paid in cash following such termination. If Mr. Nieman resigns or is terminated for cause, the value of the phantom shares, less the initial value of \$1,500,000, is to be paid in cash in five equal annual installments the first of which would be paid 30 days after the effective date of the termination or resignation. If there is a change in control of APSL, other than a transaction between the Company and any of its affiliates or subsidiaries, Mr. Nieman will have the right to receive the proceeds immediately. In the event of a sale or merger of the Company, for each share of phantom stock held, Mr. Nieman will be paid the aggregate value of the phantom shares based on the per share value used in the sale or the merger, less the initial account value of \$1,500,000;
- If APSL terminates Mr. Nieman other than for “cause,” he is entitled to receive 12 months of compensation, less all applicable and usual deductions.

- If Mr. Nieman terminates his employment with APSL, APSL will have no further obligations to Mr. Nieman including, the payment of annual compensation, benefits or any other sums other than as described in the paragraph above. However, Mr. Nieman shall be entitled to sums pursuant to the terms of any plans under which he was receiving any benefits, or as otherwise provided by law, and the value of his phantom shares (less the initial account value of \$1,500,000). The proceeds of any phantom shares will be paid to him in five equal annual installments, the first of which would be paid 30 days after the effective date of the termination;
- If Mr. Nieman terminates his employment because APSL materially diminishes his duties as President and Chief Executive Officer of APSL or significantly reduces his annual compensation or benefits, Mr. Nieman would be entitled to all rights and benefits under the terms of this Employment Agreement as if he were terminated other than for “cause”; and
- If Mr. Nieman terminates his employment with APSL under circumstances other than those where APSL has materially diminished his duties, during the 24-month time period immediately following such termination, Mr. Nieman may not work in the State of Illinois in a managerial or executive capacity for any insurance business that is or could be a competitor of APSL. In addition, during that same 24-month time period, Mr. Nieman may not solicit any then-current employees of APSL to work for any insurance business by which he is then employed or in which he otherwise holds an ownership interest.

In accordance with the recommendations of our shareholders at the 2016 Annual General Meeting, we will hold a nonbinding advisory vote on executive compensation every three years. The next nonbinding advisory vote on executive compensation will be held at the 2019 Annual General Meeting.
