NOTES TO UNAUDITED CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
June 30, 2022

I. BASIS OF PREPARATION AND CONSOLIDATION

The condensed consolidated financial statements included herein have been prepared by AmerInst Insurance Group, Ltd. (“AmerInst”) without audit, pursuant to the rules and regulations of the Securities and Exchange Commission (the “Commission”). These financial statements reflect all adjustments consisting of normal recurring accruals, which are, in the opinion of management, necessary for a fair presentation of our financial position and results of operations as of the end of and for the periods presented in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”). All intercompany transactions and balances have been eliminated on consolidation. These statements are condensed and do not incorporate all the information required under U.S. GAAP to be included in a full set of financial statements. In these notes, the terms “we”, “us”, “our” or the “Company” refer to AmerInst and its subsidiaries. These condensed statements should be read in conjunction with the audited consolidated financial statements at and for the year ended December 31, 2021 and notes thereto, included in AmerInst’s Annual Report on Form 10-K for the year then ended.

New Accounting Pronouncements

New Accounting Standards Adopted in 2022

No new accounting standards adopted in 2022.

Accounting Standards Not Yet Adopted

Financial Instruments Credit Losses-Measurement of Credit Losses on Financial Instruments

In June 2016, the FASB issued ASU 2016-13, which amends the guidance on impairment of financial instruments and significantly changes how entities will measure credit losses for most financial assets and certain other instruments that are not measured at fair value through net income. The ASU will replace the existing “incurred loss” approach, with an “expected loss” model for instruments measured at amortized cost and require entities to record allowances for available-for-sale debt securities rather than reduce the carrying amount under the existing other than temporary impairment model. The ASU also simplifies the accounting model for purchased credit-impaired debt securities and loans. The Company’s insurance premium balances receivables are also more significant financial assets within the scope of ASU 2016-13. The guidance requires financial assets to be presented at the net amount expected to be collected. The tentative effective date for the ASU is January 1, 2023. We do not expect the adoption of this ASU to have a material impact on our consolidated financial statements.

8. STOCK COMPENSATION

Phantom Shares:

Protexure Insurance Agency, Inc. (“Protexure”), a subsidiary of AmerInst, has employment agreements with two key members of senior management, which grant them phantom shares of the Company. Under these agreements, these employees were initially granted an aggregate of 48,762 phantom shares of the Company on the date of their employment, subject to certain vesting requirements. The phantom shares are eligible for phantom dividends payable at the same rate as regular dividends on the Company’s common shares. The phantom dividends may be used only to purchase additional phantom shares with the purchase price of such phantom shares being the net book value of the Company’s actual common shares as of the end of the previous quarter. During the year, no phantom shares were granted.

For these two employees, the phantom shares initially granted, as well as any additional shares granted from dividends declared, vested on January 1, 2015. The liability payable to each of these employees under the phantom share agreements is equal to the value of the phantom shares based on the net book value of the Company’s actual common shares at the end of the previous quarter less the value of phantom shares initially granted and is payable in cash upon (i) the participant’s death, termination of employment due to disability, retirement at or after age 65 or resignation for good reason, (ii) termination of the participant by the Company without cause, (iii) termination by the participant without good reason or (iv) change in control of the Company.

The liability relating to these phantom shares is recalculated quarterly based on the net book value of our common shares at the end of each quarter. As a result of the overall decrease in the net book value of our common shares since the grant dates, we have not recorded any liability relating to these phantom shares at June 30, 2022.

Stock Option Plan:

The Company has a nonqualified stock option plan to advance the development, growth and financial condition of the Company. This plan provides incentives through participation in the appreciation of its common stock in order to secure, retain and motivate directors and employees and align such person’s interests with those of its shareholders. A total of 100,000 shares are authorized under the stock option plan.

A summary of the status of the stock option plan as of June 30, 2022 is as follows:

OVERVIEW

Unless otherwise indicated by the context in this quarterly report, we refer to AmerInst Insurance Group, Ltd. and its subsidiaries as the “Company,” “AmerInst,” “we” or “us.” “AMIC Ltd.” means AmerInst’s wholly owned subsidiary, AmerInst Insurance Company, Ltd. “Protexure” means Protexure Insurance Agency, Inc., a Delaware corporation and wholly owned subsidiary of AmerInst Mezco, Ltd. which is a wholly owned subsidiary of AmerInst. Our principal offices are c/o Davies Captive Management Limited, 25 Church Street, Continental Building, P.O. Box HM 1601, Hamilton, Bermuda, HM GX.

AmerInst Insurance Group, Ltd. is a Bermuda holding company formed in 1998 that provides insurance protection for professional service firms. AmerInst has two reportable segments: (1) reinsurance and corporate, previously called the reinsurance segment, through which the company provided reinsurance under the now commuted reinsurance agreements, conducted investment operations and conducts other corporate activities and (2) insurance activity, through which the Company offers professional liability solutions to professional service firms under the Agency Agreements. The revenues of the reinsurance and corporate activity reportable segment and the insurance activity reportable segment were \$50 and \$1,253,346, respectively, for the six months ended June 30, 2022 compared to \$4,547,677 and \$1,847,982, respectively, for the six months ended June 30, 2021. The revenues for both reportable segments were derived from business operations in the United States other than interest income on bank accounts maintained in Bermuda.

Agency Agreements with C&F and ISMIE

On September 25, 2009, Protexure entered into an agency agreement (the “C&F Agency Agreement”) with The North River Insurance Company, United States Fire Insurance Company, Crum & Forster Indemnity Company, Crum and Forster Insurance Company, and Crum & Forster Specialty Insurance Company (collectively, “C&F”) pursuant to which C&F appointed Protexure as its exclusive agent for the purposes of soliciting, underwriting, quoting, binding, issuing, cancelling, non-renewing and endorsing accountants’ professional liability and lawyers’ professional liability insurance coverage in all 50 states of the United States and the District of Columbia. The initial term of the C&F Agency Agreement was for four years with automatic one-year renewals thereafter. The C&F Agency Agreement automatically renewed on September 25, 2021.

In 2021, C&F and Protexure signed an addendum to the C&F Agency Agreement which terminates the C&F Agency Agreement effective March 31, 2022. Under the terms of the addendum, Protexure was permitted to issue new and renewal professional liability policies on behalf of C&F with effective dates no later than March 31, 2022.

Effective January 1, 2022, Protexure entered into a Managing General Agency Agreement (the “ISMIE Agency Agreement”) with Amwins Specialty Casualty Solutions, LLC. for policies written by ISMIE Mutual Insurance Company (“ISMIE”). Protexure will transition the lawyers and accountants’ professional liability policies previously written with C&F to ISMIE. Certain policies will also be written by the Hanover Insurance Company. The C&F Agency Agreement and the ISMIE Agency Agreement are referred to herein as, collectively, the “Agency Agreements.”

Reinsurance Agreement

We previously conducted reinsurance business through AMIC Ltd., our subsidiary, which was a registered insurer in Bermuda. On September 25, 2009, AMIC Ltd. entered into a professional liability quota share agreement with C&F (the “Reinsurance Agreement”) pursuant to which C&F agreed to cede, and AMIC Ltd. agreed to accept as reinsurance, a 50% quota share of C&F’s liability under insurance written by Protexure on behalf of C&F and classified by C&F as accountants’ professional liability and lawyers’ professional liability, subject to AMIC Ltd.’s surplus limitations. Policies written by insurers other than C&F were not subject to the 50% quota share reinsurance to AMIC Ltd. The term of the Reinsurance Agreement was continuous and could be terminated by either party upon at least 120 days’ prior written notice to the other party. Following the commutation of all of AMIC’s reinsurance business and the decision by the Company’s board of directors not to resume reinsurance operations through AMIC, the Company made an application to the BMA to cancel AMIC’s insurance license. Effective May 17, 2022 AMIC Ltd.’s Class 3A insurance license was cancelled by the Bermuda Monetary Authority.

During the third quarter of 2021, C&F and AMIC Ltd. entered into the C&F Commutation Agreement, which became effective as of March 31, 2021, whereby C&F and AMIC Ltd. agreed to fully and finally settle and commute all their respective past, present and future obligations and liabilities, known and unknown, under the Reinsurance Agreement. In accordance with the C&F Commutation Agreement, in full satisfaction of AMIC Ltd.'s past, present and future obligations and liabilities under the Reinsurance Agreement, an aggregate sum of \$26,076,000 was paid by AMIC Ltd. to C&F in October 2021.

Historical Relationship with CAMICO

From June 1, 2005 through May 31, 2009, we were a party to a reinsurance contract with CAMICO Mutual Insurance Company ("CAMICO"), a California-based writer of accountants' professional liability business.

We decided not to renew the CAMICO contract and permitted the contract to expire pursuant to its terms on May 31, 2009. We remained potentially liable for claims related to coverage through May 31, 2009.

During the first quarter of 2022, CAMICO and AMIC Ltd. entered into the CAMICO Commutation Agreement, which became effective December 31, 2021, whereby CAMICO and AMIC Ltd. agreed to fully and finally settle and commute all their respective past, present and future obligations and liabilities, known and unknown under the reinsurance contract between CAMICO and AMIC Ltd. In accordance with the CAMICO Commutation Agreement, in full satisfaction of AMIC Ltd.'s past present and future obligations and liabilities under the reinsurance contract between CAMICO and AMIC Ltd., an aggregate sum of \$15,000 was paid by CAMICO to AMIC Ltd. in March 2022.

Our agreement with Davies Captive Management Limited renewed for one year beginning January 1, 2022 and ending December 31, 2022. Mr. Thomas R. McMahon, our Treasurer and Chief Financial Officer, is an officer, director, and employee of Davies Captive Management Limited.

RESULTS OF OPERATIONS

Six months ended June 30, 2022 compared to six months ended June 30, 2021

We recorded net loss of \$610,915 for the six months ended June 30, 2022 compared to a net income of \$50,687 for the same period in 2021. The decrease in net income is due primarily to a reduction in earned premium, partially offset by reductions in losses and loss expenses and policy acquisition costs; a reduction in commission income; and reductions in net investment income and net realized and unrealized gains on investments, partially offset by a reduction in operating and management expenses

Our net premiums earned for the six months ended June 30, 2022, were \$0 compared to \$4,319,211 for the same period in 2021, a decrease of \$4,319,211 or 100%. The net premiums earned during the quarter ended June 30, 2021, were attributable to cessions from C&F under the Reinsurance Agreement. The Company entered into the C&F Commutation Agreement with C&F effective March 31, 2021, and no premiums subsequent to that date were ceded pursuant to the Reinsurance Agreement.

During the six-month period ended June 30, 2022 and 2021, we recorded commission income under the Agency Agreements of \$1,253,344 and \$1,847,636, respectively, a decrease of \$594,292 or 32.2%. This decrease resulted from the lower volume of premiums written under the Agency Agreements during the six-month period June 30, 2022 compared to the same period in 2021, which is primarily attributed to the decrease in premiums written under the C&F agency agreement.

We recorded net investment income of \$52 during the six-month period June 30, 2022 compared to \$146,731, for the six-months ended June 30, 2021. The decrease in net investment income was primarily as the result of the September 2021 liquidation of the Company's entire investment in fixed income securities and equity securities and also a decrease in interest earned on short term investments and cash and cash equivalents. The annualized investment yield, calculated as total interest and dividends divided by the net average amount of total investments and cash and cash equivalents, was 0% for the six-months ended June 30, 2022, compared to the 1% yield earned for the same period in 2021.

We recorded net realized and unrealized gains on investments of \$0 during the six-month period ended June 30, 2022 compared to net realized and unrealized gains of \$82,081 during the six-month period ended June 30, 2021, a decrease of \$82,081 or 100%. The decrease is attributed to the September 2021 liquidation of the Company's entire investment in fixed income securities and equity securities.

For the six months ended June 30, 2022, we recorded loss and loss adjustment expenses of \$0. For the same period in 2021, we recorded loss and loss adjustment expenses of \$2,764,294 derived by multiplying our estimated loss ratio of 64.0% and the net premiums earned under the Reinsurance Agreement of \$4,319,211. The decrease in loss and loss adjustment expense was due to the commutation of business under the reinsurance agreements.

We recorded policy acquisition costs of \$0 in the first two quarters of 2022 compared to \$826,457 for the same period in 2021. Policy acquisition costs, which are primarily ceding commissions paid to the ceding insurer, are established as a percentage of premiums earned. The policy acquisition costs recorded during the six-month period June 30, 2022 and 2021 were 0% and 19% of the net premiums earned under the Reinsurance Agreement of \$0 and \$4,319,211, respectively. The decrease in policy acquisition costs was attributable to the decrease in premiums earned, which was due to the commutation of business under the reinsurance agreements.

We incurred operating and management expenses of \$1,944,631 in the six-month period June 30, 2022 compared to \$2,563,620 for the same period in 2021, a decrease of \$618,989 or 24.1%. The decrease was primarily attributable to (i) decreased director's expenses due to the elimination of retainers paid to directors as a part of compensation (ii) decreased salaries and related costs associated with Protexure's reduction in personnel during 2022 and 2021 in its effort to reduce overall costs (iii) decreased sub commission expenses resulting from a decrease in sub produced premiums and (iv) reduction in fees to third-party managers and service providers.

The tables below summarize the results of the following AmerInst reportable segments: (1) reinsurance and corporate, previously called the reinsurance segment, through which the company provided reinsurance under the now commuted reinsurance agreements, conducted investment operations and conducts other corporate activities and (2) insurance activity, through which the Company offers professional liability solutions to professional service firms under the Agency Agreements.

Three months ended June 30, 2022 compared to three months ended June 30, 2021

We recorded net loss of \$400,654 for the three months ended June 30, 2022 compared to a net loss of \$93,078 for the three-months ended June 30, 2021. The decrease in net income is due primarily to a reduction in earned premium, partially offset by reductions in losses and loss expenses and policy acquisition costs; a reduction in commission income; and reductions in net investment income and net realized and unrealized gains on investments, partially offset by a reduction in operating and management expenses

Our net premiums earned for the three months ended June 30, 2022, were \$0 compared to \$2,248,830 for the same period in 2021, a decrease of \$2,248,830 or 100%. The net premiums earned during the quarter ended June 30, 2021, were attributable to cessions from C&F under the Reinsurance Agreement. The Company entered into the C&F Commutation Agreement with C&F effective March 31, 2021, and no premiums subsequent to that date were ceded pursuant to the Reinsurance Agreement.

During the three-month period ended June 30, 2022 and 2021, we recorded commission income under the Agency Agreements of \$475,838 and \$814,161, respectively, a decrease of \$338,323 or 41.6%. This decrease resulted from the lower volume of premiums written under the Agency Agreements during the three-month period June 30, 2022 compared to the same period in 2021, which is primarily attributed to the decrease in premiums as a result of the termination of the C&F agency agreement.

We recorded net investment income of \$21 during the three-month period June 30, 2022, compared to \$75,742, for the three-months ended June 30, 2021. The decrease in net investment income was primarily as the result of the September 2021 liquidation of the Company's entire investment in fixed income securities and equity securities and also a decrease in interest earned on short term investments and cash and cash equivalents. The annualized investment yield, calculated as total interest and dividends divided by the net average amount of total investments and cash and cash equivalents, was 0% for the three-months ended June 30, 2022, compared to the 1% yield earned for the same period in 2021.

We recorded net realized and unrealized gains on investments of \$0 during the three-month period ended June 30, 2022 compared to net realized and unrealized gains of \$51,523 during the three-month period ended June 30, 2021, a decrease of \$51,523 or 100%. The decrease is attributed to the September 2021 liquidation of the Company's entire investment in fixed income securities and equity securities.

For the three months ended June 30, 2022, we recorded loss and loss adjustment expenses of \$0. For the same period in 2021, we recorded loss and loss adjustment expenses of \$1,439,250 derived by multiplying our estimated loss ratio of 64.0% and the net premiums earned under the Reinsurance Agreement of \$2,248,830. The decrease in loss and loss adjustment expense was due to the commutation of business under the reinsurance agreements.

We recorded policy acquisition costs of \$0 during the three-months ended June 30, 2022 compared to \$568,870 for the same period in 2021. Policy acquisition costs, which are primarily ceding commissions paid to the ceding insurer, are established as a percentage of premiums earned. The policy acquisition costs recorded during the three-month period June 30, 2022 and 2021 were 0% and 25% of the net premiums earned under the Reinsurance Agreement of \$0 and \$2,248,830, respectively. The decrease in policy acquisition costs was attributable to the decrease in premiums earned, which was due to the commutation of business under the reinsurance agreements.

We incurred operating and management expenses of \$938,833 in the three-month period June 30, 2022 compared to \$1,302,995 for the same period in 2021, a decrease of \$364,162 or 27.9%. FINANCIAL CONDITION

The cash and cash equivalents balance decreased from \$3,477,714 at December 31, 2021 to \$2,152,653 at June 30, 2022, a decrease of \$1,325,061 or 38.1%. The net decrease resulted primarily from cash outflows associated with the funding of our day-to-day operations and settlement of accrued liabilities.

Prepaid expenses and other assets were \$939,333 at June 30, 2022 compared to \$1,091,815 at December 31, 2021. The balance primarily relates to (1) prepaid directors' and officers' liability insurance costs, (2) prepaid professional fees and (3) premiums due to Protexure under the Agency Agreements. This balance fluctuates due to the timing of the prepayments and the receipt of premiums by Protexure.

Accrued expenses and other liabilities primarily represent premiums payable by Protexure cedants under Agency Agreements and expenses accrued relating largely to professional fees. The balance decreased from \$2,860,876 at December 31, 2021 to \$1,962,368 at June 30, 2022, a decrease of \$898,508 or 31.4%. This balance fluctuates due to the timing of the premium payments to C&F and payments of professional fees.

Evaluation of Disclosure Controls and Procedures

As of June 30, 2022, the end of the period covered by this Form 10-Q, our management, including our Principal Executive Officer and Principal Financial Officer, evaluated the effectiveness of our disclosure controls and procedures (as defined in Rule 13a-15(e) under the Securities Exchange Act of 1934). Based upon that evaluation, our Principal Executive Officer and Principal Financial Officer each concluded that as of June 30, 2022, the end of the period covered by this Form 10-Q, we maintained effective disclosure controls and procedures.

Changes in Internal Control over Financial Reporting

Our management, including our Principal Executive Officer and Principal Financial Officer, has reviewed our internal control over financial reporting (as defined in Rule 13a-15(f) under the Securities Exchange Act of 1934). There have been no changes in our internal control over financial reporting during our most recently completed fiscal quarter that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

Part II—OTHER INFORMATION

Item 1. Legal Proceedings

We are party to various legal proceedings generally arising in the normal course of our business. While any proceeding contains an element of uncertainty, we do not believe that the eventual outcome of any litigation or arbitration proceeding to which we are presently a party will have a material adverse effect on our financial condition or business. Pursuant to our insurance and reinsurance agreements, disputes are generally required to be finally settled by arbitration.

Item 1A. Risk Factors

In addition to the other information set forth in this Quarterly Report on Form 10-Q, you should carefully consider the factors discussed in Part I, Item 1A. “Risk Factors” in our 2021 Annual Report on Form 10-K, as updated in our subsequent quarterly reports. The risks described in our 2021 Annual Report on Form 10-K and our subsequent quarterly reports are not the only risks facing us. Additional risks and uncertainties not currently known to us or that we currently deem to be immaterial also may materially adversely affect our business, financial condition, or operating results.
